“ Jason is the reason I met my beautiful wife Erica, of now 20 years of marriage. We were Teenagers and he told me about a great pizza place (Mr. Gattis In Clarksville) that his Dad and him visited to watch Tv, eat pizza and play video games. After several visits with Jason at Mr Gattis I started to notice a beautiful blonde girl that worked there. We convinced her and her friend to take breaks and hang out with us. The rest is history...
