“ My sincere sympathies are with the family
During your time of mourning, I would like to express my sincere
condolence at the loss of your loved one. I have not been able to
speak to the family personally however, when we lose a loved one
to death the loss seems too great to bear and no words can express
the hurt and anguish nor touch on how you feel but God shares your
tears and gives the family His love. May you find comfort in
persistent prayers, as “the peace of God that excels all thought will
guard your heart and your mental powers.” [Phil. 4:7]
