“ *So sorry for your loss. None of the family knew me, but I knew Jay. I came in everyday to the convenient store on summer days while in elementary school. He always helped spot me .50 cents or so, so I could get a drink and candy if I was short a few cents...Fast forward a few years...I had to drive my dads big Suburban at 16 (newly licensed) and couldn't park it good enough to get it at the pump. He came outside and moved dads Suburban for me. I have nothing but fond memories of Jay as he was a part of our lives for many years in Prairie Village. A familiar and smiling face is exactly what we needed when entering a gas station before or after work or school or what we needed. And situations like mine, when our parents were mad at us and we just need to get away and get a coke and M&Ms to make us feel better. Jay will always be in our hearts and a part of us. He will never be forgotten. God Bless you all.*

“ Jay was my college roommate at ECU in Martin Hall. He was always the life of the party , a great friend and practical joker extraordinaire! As long as I live I will never forget his distinct and infectious laugh! To hear Jay laugh could set the whole room laughing. He was a groomsman at my wedding in 1990 and made the whole event a blast. I met Vicky when they married but I havent seen or talked to Jay in 30 years as people move away and grow apart but seeing the other wonderful tributes here I can tell he didn't change a bit. My deepest condolences to his family and friends.
