“ Dear Robin (Carol) and Puggy. Although it has been many years since I last you both and your mom and Chet I always think of you all and smile. Though the time and distance separates us, I always remember my years living on Loney Ln as some of the happiest, especially the Phelps'. I often remember Chets steely blue, squinting eyes and rye sense of humor and Jeans doting ways. I hope you see this post and if you do, I would like to express my condolences to you for the loss of both Jean and Chet. God bless you my old friends. Sincere regards, Chris Hadorn
