

Jeanne Marie (Weed) Bond

October 1, 2011

Bond, Jeanne Marie (Weed), 69 of Louisville, joined her 3 year old granddaughter Kathryn Ann Marie Bond and her Parents Ira & Pauline (Brown) Weed Sr. in the home of our heavenly father. She obtained a BA from Spaulding University and an MA from Bellarmine University, both in Education. Jeanne earned numerous academic accolades and many heartfelt letters of appreciation from parents and students alike. She was a difference maker. She affected the lives of her family, friends, colleagues and students through her infectious smile and love for all people. She loved teaching so much that she spent the last 3 years doing dialysis at home for countless mid-AM hours, so that she could teach children in the classroom and adult bible studies. Through tremendous pain, she persisted....to teach. That determination imparted lessons to her students that they will pass down to their children creating a lasting impression on our community. Jeanne is survived by her two sons, Robert Bond Jr. (Victoria) and Bryan Bond (Marianne); 3 Grandchildren, Austin, Britney, & Breanne Bond; and 2 infant great grandchildren, Trey & Mackenzie. a Brother: Ira Weed Jr.; Sister: Winona McDaniels, sister-in-law Margie Bond and ex-husband Robert Bonds Sr. Jeanne's Grandson Robert Austin Bond collects money annually for the Crusade for Children in memory of his 3 year old sister Kathryn. Jeanne's special education students benefited directly from crusade funding. This powerful combination of motivation, led her to be an active participant in Austin's fund raising efforts. We request that donations be made to the Crusade for Children in memory of Jeanne Bond.
