“ Marcella and family,

I am so sorry for this tremendous loss! We all loved Jeff so much. We have a long journey ahead of us but if we all stick together and know that we are there for each other and that God will carry us through this then we will make it. I cant begin to tell you what you each mean to me! I have a million memories and a heart full of love for Jeff and all of you! Remember that I am always here for each of you and I love you all. Jeff will be missed so much and I love him so much.
