“ BIKER DEATH

Tribute To A Fallen Brother

By: Bob "Bikerwolf" Bryant

There is a certain pride

To a biker from the South

His soul shines through in his actions

Also the words that come from his mouth

The people that he truly loves

They are often very few

But they all know who they are

They know for them the things he'll do

He will be there for his children

No matter what the cost

He'll also be there for his woman

When she needs him most

He's there for his brothers and his sisters

With a quick joke and a brew

He's also there when all they need

Is just someone to talk to

There are few men like this

Weather you search far or wide

It is a terrible tragedy

When a Brother like this, takes his final ride

But a man such as this

Even after he is gone

Has not left you alone at all

Cause his spirit will carry on

He'll be there when you wake up

On a bright sunny, summer day

His memories will always make you smile

When your world has turned to gray

There's pain in your heart now

cause you'll never again hear him say

"Come on Cheer the hell up man"

Or

"Let's roll some miles away"

But know when you roll out

To take off for a ride

He'll be there beside you

His spirit riding by your side

Know that your brother

On heavens roads will now roll

On his brand new Harley

That he fabricated from heaven's gold

Then just think of the day

That you will see him again

He'll be at the gates to welcome us home

Wearing that Big Ol'Southern Grin

“ Jeff & Jamie, I will never forget when I met you. the blast we had at your wedding. To witness a pure love for one another in your actions, in the way you looked at each, the way you laughed and joked around with one another. To see how you both were always touching and holding on to one another. Our/ my heart breaks so deeply to see a beautiful love story (my ultimate favorite love story) come to this. I can only trust that God in deed knows what he is doing. I have to trust and BELIEVE something remarkable will come of this. I don't know what, how, when or even WHY. I just have to BELIEVE. I have missed you BOTH so MUCH and I am so SORRY to see you again under these circumstances. Please believe I have loved you both and your girls from the time I have met you. I will and we Ryan, Michael & Raechel will be here for anything at all. Ryan is doing his best to see if the Army will let him come home. He really Loved Jeff and spending time with you BOTH.

*My deepest and sincerely sympathy goes to you and your family. You were and are the most beautiful Couple I have ever seen.

“ *Jamie, Lily, and Mia we love you so much and we hurt for you. Even though we've known you all your lives, we only knew Jeff through you, your mom, and recently connecting with him on Facebook. It was so obvious how much he loved you and the girls. He was a wonderful husband to you and a great daddy to Lily and Mia. We know how difficult the days ahead will be but know you are loved by so many people who will be here for you anytime you need them.*
