“ So many years later...I think of you every single day. I wish you were here. I miss you more than imaginable. Your generosity, kindness, caring, intelligence and humor were so very much. I miss my buddy. -Suzanne

“ I never met Neil, but I spoke with him many time. Many times the conversation would drift from work. I felt like Neil was my friend. I expect most people that spoke with Neil felt that way. He cannot be replaced at work or in life. Neil always signed his emails with 'Cheers'. So, here's to you, Neil. CHEERS, my friend.

He was the kindest person I have ever met. Both at work and personal. Cheers indeed,
