“ My heartfelt prayers go out for you all . The fact that Jeff suffers no more and will not have to struggle a life of constant pain and sorrow should shed a little light on those left behind. Please know that he would want you all to move forward and enjoy your life to the fullest. He will be there watching you all as you grow and progress. Your fulfillment of your life ahead will be a testament to what he left behind for you all. So its onward and upward the way he would have wanted for you all..... God Bless
