“ Jeff and I were nearly inseparable during Grade School and High school. Jeff was my best friend and we had some of the best times that I will never forget! Doing all kinds of projects and experiments, sports, riding dirt bikes, girls, cars, monkeys and girls. Jeff was the Best Man at our wedding and I have so many great memories. But like the song " The Cats in the Cradle" life pulled us both in different directions. We would call when we could and remissness old times and share our latest family experience like our babies first steps or the new mini van we just purchased. I was very very lucky to have had Jeff as a friend and I will miss him.
