“ *Dear Julie and Family,*

Carole wrote me about Jeff's losing his fight against the formidable foe of cancer. I am so sorry. May you and your family find joy in all the great memories you share. My prayers are for all of your comfort and peace; Jeff has found his.

“ *Just read of your loss in today's paper. What can I say, other than I've already been praying for you all; and will continue to do so. May God cover you with His love and strength in the days to come. We haven't heard from you in a long time; so did not know of Jeff's illness.*

God bless you both, as well as the whole family. Love, Betty and U.T.
