“ With deep sorrow and regret we would like to offer our condolences to Jeff's parents and his children. We are grieving too and thought the world of Jeff. I was honored to meet him a few times while he worked in Bowling Green with my husband Bob at the WKU job and again as he graciously took time out of his busy schedule with his children in tow to help us move to Shelbyville. I will never forget how great he was with his kids while he worked so hard along side Bob with our move. I feel honored to know Jeff and have always thought the world of him. God bless your family he is a great loss for us all. (Liz).

I miss Jeff already. He was a very good friend to me and would do anything for me. I so appreciated his friendship. Jeff was particular just like myself and we appreciated each other. We could work with very few words said, and just know when to pass a tool in harmony or precision. We both were proud to be union and made sure the work was done right. Jeff was an awesome person and I miss him deeply and will never forget him. (BoB)
