My heart just breaks for you.

Jene was such a special man..he loved you so very much..you were the light in his life..and you brought him such happiness.

He was your everything...and what a wonderful life you shared...all the fabulous trips...the laughter..the joy of being together.

He was my buddy too..someone that could make my day..with his sweet compliments..and a bear hug..that could bring a smile.

He will be missed by all that knew and loved him.

May your memories of all the happy times.. bring you comfort and peace.

*Love,
