“ Joseph,
I am so sorry about your Grandmother. Mom had nothing but nice things to say about her over the years as to what a good person she was and all the "good times" they had when they use to hang out together. I know she was best friends with Aunt Martha and,unfortunately, she probably won't remember her or be able to recall the memories she had with her. But the were good and happy memories at the time and throughout the years. Love to all.
