“ I am so incredibly sad. Such a devastating loss for everyone, but especially her family. Jenny has always been like another mother since I've known her my entire life. I will always remember her infectious laugh and her generosity. She would give anyone everything she had if they needed it. I only hope that she has found peace being reunited with Loo, her mom & dad, Bobby, and all her lost loved ones. She had such a tender heart and each person she lost took a piece of her and I don't think she ever was able to recover. I will miss you, Jenny, give Linds the biggest hug from me.

“ So sad to learn of Jenny passing, far too young. I'll never forget the simpler, happy times we all had as kids growing up together. Rest in peace Jenny, I'll miss you cuz.
