“ I had an opportunity to appreciate what a fine and talented person Jerry was when he did design work for me a number of years ago. I still love and use the logo and sign he designed for my small business, and I remember fondly the pleasant experience I had working with him.

I'm sorry the world has lost Jerry.

“ Jerry was one of the most memorable tenants I've had in my 65 years of rental property. He lived here on Speed Av, for 6 or 7 years. Some times he paid his rent and other times he tried to work off as much he could. After a while I lost count of how much he was behind.. He was never hateful, as many late payers are, but sincere and honest. There were many times we needed someone to watch our greyhound and we knew that we could ALWAYS trust him. When my wife's little dog died, he helped me bury her in the back yard. Actually he did almost all of it. When I think of Jerry it's always good. Rod
