“ *Sincere condolences and prayers for the family. I met Jerry and his mother several years ago at an Engelbert Show. I was seated next to Jerry who was a huge fan, like myself. We became facebook friends and ran into each other at other shows from time to time. He's always been so generous with sharing videos and photo's from the shows as well as family photo's. He was full of life and was very heartwarming to see him with his mother. He will be missed. With love and prayers, Bambi Kimball*
