“ You will be dearly missed my friend ?? . I will miss your visits, talks, hugs, and all your knowledge of the world! Heaven has not only gained a wonderful angel but one full of wisdom. Not sure how my bestie will survive without her sidekick, but through the tears, laughter, and hugs, you know she will pull up those bootstraps & carry on....for you and all of us because of her love ?? for you ????

fly high on that mountain Jess! Going to miss you so much!!
