The wonderful visit when last we saw uncle Don was one I won't forget. Filled with laughter and family memories. All the brothers were present and Aunt Vickie was still smiling and vibrant. His memory will live on with his children and grandchildren and the hearts of those who have known him for years. The sad passing of a gracious man. You will be missed. Barbara W Jones.

“ Don was a wonderful man, a faithful and loyal member of Walnut Street Baptist Church. He alone , faithfully sent candy and other items to our service members in Iraq. My nephew, John Hall ,received many of those wonderful gifts,and when he returned, presented Don with the flag that flew over their barracks. Don was deeply moved, and I know treasured that flag ❤️ My nephew, sadly, has since passed away from PTSD so I know he was at the gate to welcome Don❤️Love, Barbara Carnforth Kennedy

“ *Scott and Steven:
One of the great blessings of our lives was when Martha and I moved to Louisville to attend Southern Seminary and I was privileged to serve Victory Memorial. It was there we met your mom and dad and began a lifelong friendship. We were privileged to go on vacations together sharing cabins in Gatlinburg. I have so many great memories of our times together; playing golf with your Dad while Martha and Vicki shopped and got into mischief. I miss them all but God gives us memories to cherish and celebrate. My prayers are with you all during this time of grief but remember God's Grace and love for us to send Jesus to the Cross is sufficient.*
