“ *My heart is heavy with sadness as I think of the loss of Jimmy and the impact he had on many lives. Although I wasn't always closely connected due to our complicated family dynamics (a close friends ex-wife), over time, I had the opportunity to develop a deeper appreciation and bond with him & Leslie. What I admire most is the way they loved and cared for my children, Warren & Chelsea, creating countless memories on camping trips and adventures that they'll cherish forever.*

*His presence was a gift to so many, and his passing leaves a void that can't be filled. My thoughts are with Leslie, Jason, Krista, and Brandon during this incredibly difficult time. I can only imagine the pain of losing a partner, parent, or family member, and I want them to know that I'm here for them for anything.*

*To Leslie, in particular, my heart goes out to you. Losing a partner who was such a big part of your life for so long is unimaginable. I'm so sorry you're having to navigate this journey without him by your side physically but i know he'll always be with you spiritually in your heart. May the memories of your alls time together bring you comfort and peace.*

*I'm truly sorry, my heart goes out to all of you. I send my most sincere & deepest condolences.*
