*Aunt Joan, so funny I think of you often. Just this week in fact. I hope your next chapter is filled with happiness and hope. I love you and have such fond memories of growing up...like eating raw hot dogs and then soft serve when the ice cream man drove around. ( and then barfing on the way home) You are loved and I regret not telling you when you were here Much love to Danny and Darrin and all their families- Dawn Ennis Crocetti*
