“ I will always remember Ms. Joan from all the trips she made to visit Paula at Murray State University. Paula and I were roommates at Murray and became best friends. Ms. Joan was known for her homemade carrot cake. It was the best I have ever eaten. She always was so sweet to me. She and the rest of the family welcome me into their home when I visited Paula in Louisville. You could tell how much she loved her children. I am so sorry for your loss and you all will be in my thoughts and prayers.
