“ My prayers go out to the family. Joann, Gloria, and I went to visit Sandy and Terry Frazee, then Ralph and Susie McCoy about five weeks ago, We all had the best time. Joann keep teasing Gloria and I about how many times we would stop and get something to eat, and Joann would also get something to eat. It was so funny and she blame Gloria and I for eating too much. Joann had a really great time and she needed a break from her daily routine. When we got to her house, she had to show me her yard and all the work she had done, and it was very nice, along with her garden. Joann, I will miss you alot, but now you are singing with the Angels. I love you, Judy
