“ My name is William Hancock. I lived in the West end of Louisville, in Portland. I was the same age as Johnny, born in July, 1932 He and I used to be friends and often played together before we were teenagers. I lived on the corner of Montgomery street and he and the Boggs family lived 4 houses down the street from where I lived. I knew all of the family and they knew me also. I remember the girls being nice looking. Janice was the oldest and Elsie Joe was the youngest of the girls. I knew Mrs Boggs and the father. They were a very nice family and I will never forget them. Sounds like Johnny had a wonderful family. He also was a very good looking boy. Sorry I have been so late looking up his obituary. I wish I could have met him again as an adult, but that never happened. He had a wonderful and kind mother and father. I used to go to Mrs. Boggs house and eat some of her biscuits when I was nine or 10 years of age. At 93 years of age now, I can remember the Boggs family. I will never forget them.

“ Dear Betty and family, So sad to hear of the loss of John. We remember Betty and John from Valley High School days, class of 50, and what a handsome couple they were. So glad you are blessed with a large family to comfort and support you. Betty, if you are able, join us this fall at the annual reunion at Mike Linnigs. We all need each other.
God bless and help you through this time. Love and prayers, Marvin and Anna Ridenour
