“ I will never forget the good times we all had when I'd come home to visit. And when my dad passed away, John you were the best, as much as you hated being there you stayed the entire time, and all you did for Sharon after such a loving & caring soul, wish you knew how much you were loved by so many. May you now rest in peace, no more pain, just happiness for you. Watch over Tiff and the kids, wish I was there to hold them up right now. Love you always in my heart!
