“ Justin,
Your family has our deepest sympathy in the passing of your grandfather. For God so loved the world that He gave his only son, so we may have everlasting life. I did not have the chance to meet Mr. Guelda but he left a lasting impression on Shaun.

“ Went to school with John Guelda. He was such an easy going, good hearted person. Over the years when we would run into each other, he always told me how lucky he was to have married Nancy.

“ We truly enjoyed Mr. John in The Pillars. He was a kind and caring gentleman that stole our hearts. Also, it was wonderful to see the love and support he received on a daily basis from his family. May he rest in peace.

“ So sorry you lost your wonderful, father, grandfather and friend. I remember him as such a warm, loving family man. Our families went to the same Church and our children went to school together as well as participated in some sports.
After your mother passed away, I would sometimes see him at Church and he always spoke to me asking about our family. He was on my mind a couple of weeks ago while I was looking in the area where he usually sat and realized that he had been missing for a quite a while and wondered how he was doing. Seeing his obituary was a surprise. I hope his death was painless and peaceful. God bless your family. Remember all of the special moments all of you shared with him and you won't be grieving you will be smiling.
That is a wonderful thing to leave a family.
Sincerely,
Barbara and Ranny Sprenger
