“ Aunt Jane, Bridget and Brian -  
Though I couldn't be there physically to share some of the burden of grief, please know that Lisa and I are there in spirit with you. The memories I have with Uncle Jack and all of you will live forever and be passed along in stories (and laughs) to the grandkids (and grandbaby-to-be) for years to come. I look forward to the future memories we will make, with him in mind all the while.

*Much love to you all with serenity and peace,  
Barbara*

*Namaste.*
