“ I recall Linda saying that when Arnie was small, that a familiar sight in J-Town was Uncle Donnie with Arnie standing beside him, going down the road in a old pickup truck -

“ Grew up with all the huckleberry', I love you guys like family. I spent so many nites at your house. I know Donnie as a soft spoken man, never heard him raise his voice to his wife Shirley or his kids. He worked hard taking care of his family. May god be with Shirley, Debbie, Kathy, Connie, Laurie, and Johnny. May god give you comfort. So sorry guys for your loss. Donnie will be ever much missed, but rejoice that he's no longer in pain. With love to all Sandee Bryant

“ My dear friend Huck. I am very sorry to hear about the loss of your papa. Please know I am thinking about you, your momma and your sisters during this difficult time. I love you my friend. I am here if you need to chat. You know how to reach me. I pray that you are able to find some comfort in the fact that your papa lived a fulfilling life and is now free of all health issues and sickness. We might not get to see each other often but your friendship means the world to me and I am just a call away. Prayers for you and the family during this time. Hold each other close as you remember the lasting memories that your papa leaves behind to all of you.

*Love you bunch my friend,*
