“ First let me extend my deepest sympathy to you Anna, and your children. You don't know me but my grandmother was a cousin to Jack's grandmother and we used to visit back and forth many years ago (I'm 70 now) when we were kids. Jack's family would all come to the country and spend the day and we would get to the city. If you ask Beverly I'm sure she would remember. She saw my sister , Janie Wingler a while ago at Huber Winery. We would love to get in touch again. My sister's number is 1-812-364-6595 in Palmyra, In. My e-mail is maryobfl@aol.com. We were very shocked to read about Jack's passing and want you to know that you are in our thoughts and prayers. Sincerely, Mary Ann O'Brien

My hope is that you will be comforted by knowing that so many are keeping all of you in their thoughts and prayers, and also, I hope you find comfort in the memories of your dad. Hold each other close, lean on each other, and know that you all have so many who care about each of you. Susanna
