“ To the family of Fenton. I can feel your pain as I lost a grandson 20 December 2014. It too was sudden and I was thrown into the reality of death. As we all love one another we will be in a different reality. I will be praying for all of Fenton's family. Barbara Spaulding..

“ Dear Stephen & Jane: You don't know me but I think I have worked at the Cherokee Triangle Art fair with Steve. Dr. Kotkamp operated on me when I was 6 years old. I lost my son, Nicholas, 2 months ago unexpectedly and feel your pain and understand what this is like for you. I pray that God will give you peace and direction through all of this and that you both look to God at this time of intense grief.
