*I just want all of you to know how sorry I am upon the passing of your Dad. I always adored your parents more than any of my friends. They were always down to earth and welcomed everyone into their home. Please remember all of the wonderful times you had as a family and remember they are looking over you and guiding you in this life until you meet again.*

*Rita Kay, Doug, and Laurie, I just now know of the passing of your Mom and Dad. I was just a kid when I'd go to the house on Ashland, we would play cards and eat lunch (fried Dixie loaf sandwiches and fritos). Long time ago. Peanuts was running around then. I remember your grandmother, Mrs Crutcher having her home downstairs and the walkin closet between the bedrooms in the upstairs. So very sorry to hear they have gone on to the great beyond. I loved them in life and won't forget them in death. Rita Herdt*
