“ *Uncle Jackie I can't even describe in words how much I will miss you, I feel so very blessed that I was able to care for you and have you as such a huge part of my life these last few years. I wish you could have stayed longer but God was ready for you and I'm thankful your pain, worries and struggles are over here on earth, I hope they know how lucky they are up there in heaven to get to see that handsome smile everyday!! I love you so much, watch closely over us these next few days as we say goodbye to you and lay you to rest, just remember its not really goodbye, its see ya soon*
