“ *There is no way I can express the loss I feel. John was a man among men. He was one of the most compassionate, talented, smart, kind, hard working men I have ever known. There was nothing he couldn't do and do well, and there was nothing that he wouldn't do for a friend. I am honored to have known him and worked with him, and I am honored that he selected me to be one of his friends. John and I had shared some pictures recently of projects each of us was doing...and I had told him I wanted to come see the masterpiece he was working on. He was proud of what he was doing, and rightly so. He loved doing things well and took pride in every thing he touched.*

We will miss him very much, and we feel special because he shared his talents and his friendship with us.
