“ *To the Sabol Family*

We are truly sadden to hear about the recent passing of John Henry Sabol. Our thoughts and prayers are with the family during this most difficult times. May the family draw comfort from this wonderful promise from God where He assures us that our departed love ones will stand up in life again.(John 5:28-29) How is this possible? Because God is the source of all created life. He has the power and the desire to restore life back to those who have died.(Job 14:14-15) To help us to have strong faith in this promise, God has preserved nine accounts in the sacred writings to help us build up our faith in this wonderful arrangement. Here is just one such example recorded at John 11:38-42. Why not allow these verses to provide all with true comfort from God. Yes keep this promise near your heart at all times. Remember that when God makes a promise, it always becomes a reality. For God does not lie.(Titus 1:2)
