“ Having met John at the 19th reunion, I wish I could have found the history of the 522nd company he wanted. Although we recently met, he was someone Nikki & I would have liked to have known better. Our prayers go out to the family at their loss.

“ I first met John in 7th. Grade, when we shared the same homeroom. We were all in the music group. We always thought of him as one of the good guys.
I was happy to see him at our class picnic two years ago, as we were able to talk about the old and the new days.
Our prayers go with you and your family.

“ Sincere condolences to Brenda and the Spagnola family. Jack was a good friend all thru high school and I enjoyed reliving some old times with him at high school reunions. He had a great sense of humor and was an all-around 'nice guy'. May he rest in peace in the arms of Jesus, our Savior. You are in my thoughts and prayers.

Please know that you are in our thoughts and prayers. Jack was a schoolmate and good friend from elementary school through high school and we had the pleasure of getting back together at high school reunions and other events. We are very sorry for your loss.
