You'll live on in the hearts and memories of the many many people who's lives you have touch in such a short time here. We love you Big John! Travel safe, my friend. I'll see you when I get there.

“ *I'm going to miss you big guy. You were always there when I needed you, and always gave me the truth even when it hurt. I'll never forget how you would show up on my birthday every year without delay, even if we hadn't seen each other since the last one. You'll live on through me. Ashes to Ashes, Dust to Dust, may we meet again when my journey begins.*
