“ Jolene was such a special lady and I felt she was family ! Well she was family to all of us who shared in each others lives at National City, the Okolona Branch, now PNC, where we worked together, cried together, laughed together, celebrated together and was always so close to each other. This is sad for those she left behind but so wonderful that she is now in the presence of OUR LORD AND SAVIOR, JESUS CHRIST. We WILL see her again! We will always love you! Agnes (Hardesty) Baker

“ Jolene was a great Christian woman and a special blessing from God. I remember when I was a little boy and grow up - how she would ask me how I was doing. I always appreciated Jolene's prayers and her encouragement through my fight and recovery of cancer.

Jolene prayed for me when God called me and led me to go on mission trips. She also wanted to know how God blessed me on the mission field and how He used me to minister and bless the people there.

“ I am sorry for your loss and my prayers go out to her family! Jolene was the sweetest person! She never had anything bad to say and was always so patient with her customers. I worked with her at PNC for a few years. She would talk about her kids and grandkids and just be so proud! She will truly be missed!
