“ Oh Jonathan. I remember we met at camp. We both became each other’s date for the dance. We both wore our bracelets that we made that week that accidentally matched. We both wore purple. We danced our hearts out and had fun. Years later we met again on The Kentucky Teen Council and found out who the other was. You said “You are short haired Josie.” And I said “Yeah- and you are Jonathan. I remember you.” I still have that bracelet Jonathan. I never put it away but kept it- because of you. Thank you for being apart of my life and thank you for being an amazing date to the dance. I won’t forget you. The KTC won’t forget you. Once a KTC member, always a KTC member. Thank you for being a friend. Im gonna miss you.

“ Jonathan will always hold a special place in my heart. He was always ready to help anyone with anything. He was a camper at our National Guard Youth Camp. The 1st year he came he was not a happy camper. He left camp early that year but he came back the next year and several years after that. Once he aged out at camp he became a volunteer and then became one of our KY Teen Council members. He was also a camper at the QDMA youth hunt and when he aged out there he came back as a teen volunteer. I had never seen a teen give so much of his time for nothing in return. He became like one of my own kids. I was so proud of the things that he was doing for the special needs camp. Jonathan will never be forgotten and I know we will meet again. I Love You young man and I will miss you terribly.
