“ I was saddened to hear about the passing of Joe. He was always so helpful along with rest of the staff at Owen Funeral Home when I would come up from Cowherd & Parrott Funeral Home in Greensburg, Ky. to have a visitation. He was always smiling and on top of things. I remember him showing me how to write the names down from the flower cards as they came in the funeral home. I know he will be missed greatly. I'm sorry I can't be there but prayers to his family and to the whole Owen Funeral Home family.

“ I sure will miss Joe. I enjoyed working with him. He taught me a lot when I first came to work at Owen. My prayers are with all his family. That includes all of us here at Owen who also considered him family too.
