“ Thoughts and prayers for Joe's family and friends. His light was bright at UPS. His positive joyful energy was contagious. It was an honor working with him. God bless.

“ Joe I'm so happy to say I had the pleasure of working with you at UPS. You were such a kind person and had a big heart. I enjoyed our talks of coffee. You gave me the nickname "Lemonade"...RIP...Lavinia

“ There wasn't a person on earth that cared and protected his friends and family more than Joe! We didn't always see eye to eye but it was hard to be mad at him or keep arguing with him. Sorry I haven't seen you in awhile, every DnD session, and every convention I go to now I'll be thinking of you Joe.

“ I met Joe several years ago when my daughter Kim started living with him. Like most parents I was a little concerned that my daughter was moving in with a man but that concern soon subsided when I learned what a great man and protector Joe was. I've told Kim before that I was really glad she had a Joe in her life. I know that had plans for a long life together. They had a friendship and relationship most people don't ever get to experience in a lifetime. Thanks Joe for all the memories you gave Kim.

“ I was fortunate to see Joe in April of last year after 4 years living abroad. I introduced him to my husband who is always very nervous to meet new people, especially friends of mine whom he wants to make a good impression on. Upon meeting, Joe was able to make him feel like they had been friends for years and instantly made him feel comfortable. That is Joe Mills, the guy who could make anyone feel like they belonged and could break a smile out of the saddest of faces. Even through the sadness of his passing, I can't help but smile at the memories I have of him.
