“ sorry for your loss. I drove a truck for S.W.S. Machinery in the late 70's early 80's. Joe was the smartest person about trucking I ever met. I learned a lot from Joe and Mike Pike.

*Simpsonville Wrecker Service was the best because of Joe and Lynn's leadership and knowledge of the business. I remember Joe would get excited sometimes when we would do something wrong, but he always knew what to do to fix the problem then laugh about later.*

*I miss those days and will miss Joe. God Bless You Joe and may God Bless Lynn and the Moss family. Ever time I see a "R" Model Mack I think about Simpsonville Wrecker Service.*

*Miss Y'all Jay Bandy*
