“ I just want to say I am so sorry to hear of the passing of Anthony. I am Louise Cooley's niece and her and Ed was always so glad to see Anthony. They thought so much of him and when his dear friend Katie Zwilling would bring him over to see them it really made them happy, I know they always talked about how much it meant to them that she would bring him, and all she did for him.
I know it has been a hard year for the Vittitoe's this year with loosing so many family members. I am certain that Heaven is having a time of rejoicing up there. What a great fellowship is happening with most of them together. God Bless your family through this rough time.
Many prayers for all of you.
