“ *It's So sad to here this news of Joe's passing, our thoughts and prayers to his family at this difficult time.*
Joe was a co- worker, I met him for the 1st time when I came to work at Jefferson Co. Public Works many moons ago.
I can personally attest to Joe's hard work ethic and his absolute caring for all the folks around him in the work place. Joe even as a supervisor of Road crews set the example on a daily basis of how working hard and doing things right the 1st time mattered. He was a friend to everyone he came into contact with. Joe was the Man who left that life long ever lasting impression of Strength, caring and just a great Man! God Bless my friend in your next journey. Your friend.

“ So sorry to hear of my old friend Joe passing. We had so many great times. We worked together often at St Matthias as members of the Men's Club with myself, Joe and Ron Harper the last 3 members. We loved working for the children of St Matthias. The memories are many, you won't be forgotten my friend. My condolences to Joe's children and wife. Patsy take care. You took care of Joe for 54 years and did an amazing job. Joe will always be by your side. My prayers will always include Joe. Rest in peace, my friend.
