“ I would like to express my condolences to Josephine's family. I had the pleasure of working with her at Schoppenhorst & Underwood Funeral Home as a student from 1996-98 while I attended mortuary school. She was my favorite person to work visitation with, we had a lot of fun working together. Josephine was extremely kind to me during my stay in Louisville often bringing me goodies to eat, so as she said "I wouldn't go hungry." It was an absolute blessing to me to get to know her and spend time with her during my college years. I am sorry for your lost and hope you have comfort as you share wonderful memories of her over the next few days. She was a truly wonderful person.

God Bless

“ Such a beautiful and elegant lady. Jo will be missed in the Pillars and by the Life Enrichment Staff. She always had a smile on her face and nothing but kind words to say to everyone. Everytime I looked at Jo it reminded me of why I am an Activities Director. She wasn't a "patient" or a "resident" to me, she was my friend, my buddy. She always wanted to lend a hand to help me, and that she did. We had many great memories that I will always treasure. She was my first customer when we opened The Pillars Boutique 2 years ago. She knew she could depend on me and I depended on her as well. Much Love Jo

“ This always is my go to scripture amid difficult circumstances. Ephesians 3:20 Now unto Him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us...I would like to remind the family that it is often amid difficult circumstances that we are able to see Christ diligently at work around us. Look around you during this time and see Him at work in your lives. I've known Josephine now for 20 years and it has been a blessing for me to have her in my life. She always enjoyed her times with the Payne family on Holidays, almost as much as we enjoyed her. I can remember her coming to my home and watching me cook & saying how much she enjoyed watching me cook because "You do it like me....a little of this and and little of that..." and was all smiles to be in the kitchen right in the middle of the action. She was the salt of the earth and was it was a pleasure to be her friend. She is one of those people that took much wisdom with her when she left this earth and I know she will be missed by many. Much love and hugs to the Jordan family. We are praying for all of you. To: Jim and Deb, Patrick and Bella and James and Jennie, we love you more than you'll ever know. If we can do anything for you during this difficult time, just call and we'll be there! In Him, Joe and Karen Payne
