“ I am so saddened by this news! Jo kept my children when they were younger. We loved her so much! After church Sunday we were going to go visit her. Such a precious, loving woman! Now after all these years she's with Price again, and better yet, with Jesus.

“ Mom told me yesterday about your Mom's passing. Very sad news indeed. I have so many memories of both your Mother and Father, great people to grow up next door to. Now they are together once again. My thoughts and prayers are with you.
