“ I want you to know that you are in my thoughts and prayers during this difficult time. You have been a strong individual during the months your mother has been in Oaklawn plus being President of the WCL. It is now time for you to take care of yourself and to replenish who you are as an individual. This will take time and there will be plenty of friends to help you through this transition. My prayers and thoughts are with you.

“ Sarah and family,
Our sincerest sympathy to you and your family. Your mom was such a wonderful person and always a joy to talk to. I always learned so much from her and will remember the visits we had over the years. Our conversations about "home" will always be cherished. I especially remember going to the state fair with you, your mom and dad and the good times we had there as well as the good times we had growing up. I always appreciated Josephine's beautiful handiwork she did, her flowers and her love of life.

“ Sarah: I extend condolences to you and the family in the homegoing of your good mother.

Your dad, Emmitt, was my teacher at the Midland School in the Thirties. I am a retired Baptist minister from Midland, now living in Madisonville. I used to preach some in the Sacramento Baptist Church and always enjoyed seeing your parents.

I have been retired several years. I have two daughters who are public school teachers. MY late wife, Martha Nell(Francis) Richey was a teacher and go her masters degree at Western.

In Christ, Hughlan Richey

“ Sarah Margaret and family, I will always remember you in the days at Sacramento School. I can still see you with those long curls. Your dad was principal when I started to school and in the afternoons while I waited for the last bus I would hang out with you in front of the principal's office. You were there waiting to go home with your dad. My condolences to you and your family. How blessed you must feel to have had your mother all these years. God bless you and your family.
