“ *Dear Jennifer & Mark, Jordan & Family
We are so sorry for your loss..... We know Josh was (is!) in so many peoples hearts and so many PEOPLE are grievend with you, so do we. We can't understand why he had to go to the other world so young.....there has to be a reason only HE knows. The only comfort we have is that Josh is with his beloved Grammy and Ga, now. May he rest in peace and may you all ever get in peace with his passing. Recieve our condolences in love,

“ I had so much fun on and off bikes growing up with Josh. His ability to transform nearly any situation into something enjoyable or at least funny was something I always admired and valued. He was also great at making human connections and could turn a stranger into a friend within minutes. I'll always look back fondly on the time we shared.
