“ I'm so sorry for your loss. I remember Mrs. Arrington with very fond memories of growing up as a kid next door. May she rest in peace and her family be comforted that she's in a wonderful place.

“ It's impossible to comprehend and appreciate a book by its cover alone, or even reading just a small part.

*But knowing Norbert, a chapter of that book, makes us wish we had known the story of his mother's life better; for if her son is anything to judge by, she was a brilliant, decent, fascinating, and moral woman.*

*Our condolences and most heartfelt sympathies.*
