“ My heart goes out to you Dana, Darla, Mr. Ridenour and your entire family. Mrs. Ridenour was such a lovely person - she was so genuine and kind. Although we only met twice, she made me feel as if we had known each other forever. I have no doubt she had the same effect on everyone she met, and will be dearly missed by many. Please know you are all in my thoughts and prayers.

“ Dana (and family), it's not often that you meet someone and like them completely and without reservation within 25 seconds of their introduction, but your mom was one of those people. She was a lovely woman and while it has been along time since that time she visited St. Croix, it still hurts my heart to hear of her passing. Condolences from up north.... R.
