“ *Hace años, visité los aztecas por unos amigos q trabajaban ahí, en esa visita conocí a Saúl y me impactó mucho su personalidad, en mi mente quedó un sueño de algún día poder trabajar con el, y un día, ese sueño se cumplió. Yo trabaje con Saúl en los Aztecas muy poco tiempo, pero fue suficiente para conocerlo y aprender de el. Su visión me inspiró a seguir mi sueño emprendedor. Al igual q a mi, el inspiró (sin el saberlo) a muchas personas q nos cruzamos en su vida. Agradezco a Dios la oportunidad de haberlo conocido y me pone muy triste su partida. Pido a Dios por su eterno descanso y también pido por su esposa e hijos, para q encuentren consuelo y resignación.*

Years ago, I stopped at the Aztecs to greet some of my friends who worked there, on that visit I met Saúl and was greatly impacted by his personality, in my mind there was a dream of one day being able to work with him, and one day, that dream was fulfilled. I worked with Saúl in the Aztecas for a very short time, but it was enough to meet him and learn from him. His vision inspired me to follow my entrepreneurial dream. Like me, he inspired (perhaps unknowingly) many people to seek and achieve their dreams. I thank God for the opportunity to have met him and his departure makes me very sad. I ask God for his eternal rest and I also ask for his wife and children, so that they find comfort and resignation.
